Thanks Sarah: nothing urgent, but I did copy you on some emails earlier today including follow up on the call with NRC today on DB.

Have a great weekend and good luck on Denver Water!

Hi Douglas – I drafted this earlier and just realized I never hit send. I'm waiting to talk to Greg and may be tied up all afternoon on this. let me know if you have anything urgent to discuss and I'll try to give you a call. Sorry for the conflict and late notice.

Thanks – I have the final docs for Denver Water and need to get those ready for signature. I'm on the phone with Denver Water and Darcy now.
